Financial Policy

Payment for services rendered is due at time of treatment unless other arrangements have been made in advance. For your convenience, we accept Visa, Mastercard, American Express and Discover. We can make arrangements for a monthly payment plan through Care Credit but those arrangements must be implemented prior to actual procedure/treatment.

Effective October 1, 2009, we offer a 5% discount toward any personal balance paid in full at the time of the visit by personal check or cash. A 12% APR will be assessed on any balance over 90 days from date of service. We reserve the right to charge for missed appointments or appointments cancelled less than 24 hours before appointment date. If you have any questions regarding your account, please contact us.

Please remember that you are fully responsible for all fees charged by this office regardless of your insurance coverage.

We accept most traditional insurance plans and are happy to submit your dental claims after treatment if you provide a current and accurate insurance address with group and identification numbers. Most insurance companies will respond within 4-6 weeks, any remaining balance after your insurance has paid is your responsibility. We will send a monthly statement. Your prompt remittance is appreciated.
