Financial Policy

Payment for services rendered is due at the time of treatment unless other arrangements have been made in advance. For your convenience, we accept Visa, Master card, American Express, and Discover. We can make arrangements for a monthly payment plan through Care Credit, but those arrangements must be implemented prior to actual procedure/treatment.

For those who do not have insurance we offer a 7% discount towards any personal balance paid in full at the time of visit by personal check or cash. A 5% discount towards any balance paid in full at time of visit by credit card. A 12%APR will be assessed on any balance over 90 days from date of service. A \$35 fee is charged for all NFS checks.

We reserve the right to charge for missed appointments if appointments are cancelled less than 24 hours before appointment date. That charge is \$45 per person per appointment missed.

We accept most traditional insurance plans except OHP and Medicare. We are happy to submit your dental claim after treatment if you provide a current and accurate address with group and identification numbers. Most insurance companies will respond within 4-6 weeks. Total charges are your responsibility while insurance is processing. We will send a monthly statement. Your prompt remittance is appreciated.

Please remember you are fully responsible for all fees charged by this office regardless of your insurance coverage.
